

Sheffield Manor Lodge

Interpreting Historical Photographs

On Thursday 16th August 1pm-3pm we will be holding an informal adult learning session looking at the different methods of interpreting historical photographs.

Looking at historical photos of Sheffield and significant historic events we will be learning about the different factors effecting photographic interpretation and what they can tell us.

Please bring along your own photos from history, whether these are personal or of the local region and have a go at learning from them.

The session will cost £2.50 per person and will be held at Manor Lodge Discovery Centre.

Please book in advance by contacting Grace at g.tebbutt@greenestate.org or 07713308122.
